About Wharfedale Homes

We have been building design-led quality new homes in some of the most desirable and sought-after locations in Yorkshire for over 30 years.

Our homes offer designer interiors, from stylish kitchens to contemporary bathrooms, and are built to a high specification as standard. Every home we build has family living and socialising in mind, offering modern open plan kitchen and dining areas to keep everyone together, with doors opening out into private gardens to harmonise indoor and outdoor spaces. At Wharfedale Homes we carefully design our homes to blend sympathetically into their local environment and contribute positively to the local area. From solar panels to high performance insulation our homes are designed to be energy efficient. All our homes are EPC rated A or B, resulting in lower cost energy bills compared to older properties. As a Yorkshire business with a strong history in house building, Wharfedale Homes draws upon extensive experience and a passionate team to provide homebuyers with the best customer service both during and after the purchase of their home. We also offer peace of mind as every new home comes with a 10-year warranty and a 2-year fixture and fittings warranty.
