General remarks

Delightfully situated within a fashionable village location is a compact two-bedroom stone-built terrace property having attractive living accommodation. The property is, in our opinion, tastefully presented throughout and includes gas heating, uPVC double glazing, together with modern kitchen and bathroom fittings. The property offers a degree of versatility or flexibility, and an internal inspection is indeed recommended to appreciate this most attractive home.

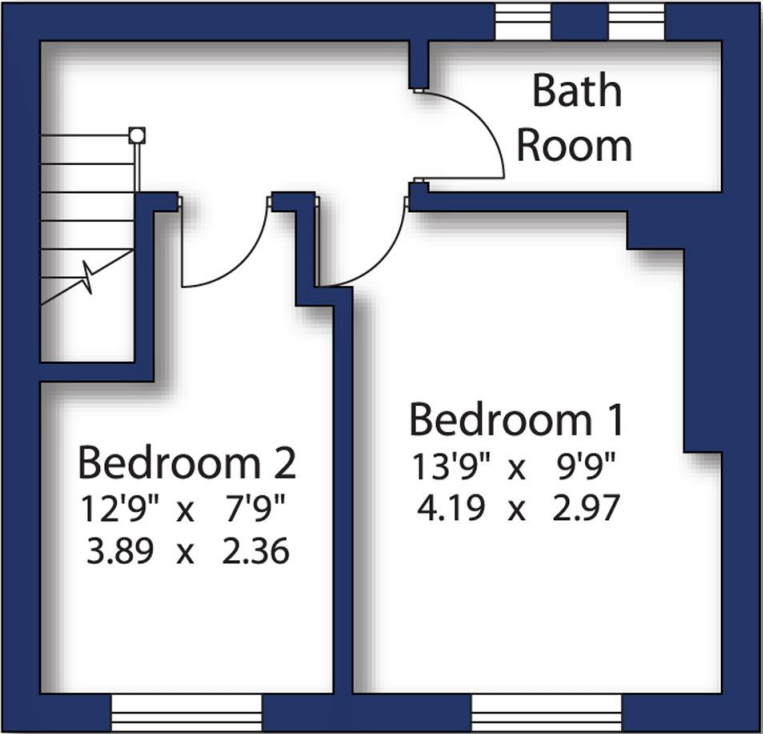

The accommodation briefly comprises entrance, lounge open to kitchen, To the first floor two bedrooms and bathroom.

East Morton is regarded as a most prestigious address with many high calibre and well-established properties within a beautiful village location. The locality is surrounded by scenic countryside and a well-respected Primary School and the amenities in Crossflatts and Bingley are nearby. The area is well served by door road access and rail links from Bingley and Crossflatts and the location is considered within commuting distance of Bradford, Leeds and many other West and North Yorkshire business centres.
