General remarks

This conveniently located family home with smart rendered front elevations, gas fired heating and PVCu double glazing is ideally situated close to schools for all age groups and the town centre.

An entrance lobby gives access to an impressive through sitting room with a feature fireplace incorporating a cast iron stove and French doors opening to rear gardens.

A separate dining room is an ideal space for entertaining and doubles as a play / family room or home office. The ground floor layout is completed by a well-appointed kitchen with fitted cabinets, worksurfaces and integrated cooking appliances.

At first floor level there are three double family bedrooms which are served by a stylish house bathroom with a white suite and fitted display / storage cabinets.

Finally on the second floor there are two "bonus" rooms which whilst not benefitting from current building regulations offer many options for informal use.

Off road parking has been created on a gravelled driveway to the front of the property and a passageway gives access to enclosed rear gardens providing play areas for children and pets.

Second Avenue is a perfect location for the busy, growing family seeking ease of access to local schools, shops and supermarkets and Wetherby market place with excellent road links to major commercial centres.
