General Remarks

Architect designed and planned to embrace the sheltered south facing garden, 2 Old Lane is a family home providing spacious and airy accommodation ideally suited to the requirements of modern day living.

Entered through a spacious and welcoming reception hall, setting the tone for the whole accommodation by giving a wonderful sensation of space and light, the layout includes a lovely dual aspect living room with roof light, enjoying views on to the gardens as well as external access. Sure to be the heart of the home is the stunning living kitchen, with ample space for preparation, dining and seating areas. The former is fitted with a comprehensive range of bespoke units and features a very generous central island unit with Silestone worktop, integrated breakfast bar, sink unit and instant hot water tap, dishwasher and fridge freezer. Further appliances include a Rangemaster dual fuel stove and extractor hood. This impressive room has windows to three sides which include a sliding doorway leading out to the terrace area – ideal for al fresco dining. The ground floor is completed by a discreetly positioned study which could readily suit as a TV room/snug, and there is also a utility, boot/cloaks area and ground floor WC.

A stunning glazed staircase leads to the landing which features windows to either side with views over the garden. The principal bedroom suite has a charming seating area on entry, from where there are aspects on to the garden, integrated wardrobes, and a contemporary en-suite bathroom. The three other bedrooms are all doubles with fitted wardrobes, one being a guest suite with en-suite shower room. There is also a luxury house shower room. A loft ladder leads to a very useful boarded storage loft.

A pair of remote-controlled gates lead from Old Lane on to a pavier finished driveway which provides parking for at least three cars as well as access to the property's detached double garage. The house has been designed to engage with the south facing gardens which, immediately adjacent to the property, are laid to a stone terrace – an ideal outdoor entertaining space. Beyond is a level lawn, whilst shrub planting and hedging runs to the southern boundary – the whole garden offering a delightful amenity area, being a private south facing sun trap, planned for relatively low maintenance and ideal for family members of all age groups. From the property there is also easy access to Ilkley Moor, which is only a few minutes' walk away.

The former Victorian spa town enjoys what is arguably one of the finest locations in Yorkshire, nestled amidst the lovely open countryside of the Wharfe valley whilst being within easy everyday travelling distance of business centres as far apart as Leeds, Bradford, Harrogate and East Lancashire. The town centre, which is roughly a mile or so from 2 Old Lane, provides a comprehensive range of retail amenities complemented by an excellent choice of restaurants, cafes and tea rooms. Ben Rhydding has its own range of local shops, a popular primary school, pub and 'metro' railway station from where there are frequent rail services throughout the day to both Leeds and Bradford, with regular onward connections from Leeds to London Kings Cross. The town also has the advantage of a highly regarded local schooling system with Ilkley Grammar School being within comfortable walking distance of Old Lane. There are a good number of sports clubs catering for interests as diverse as rugby, cricket, hockey, cycling, tennis and squash, whilst the surrounding countryside and rugged moors provide an excellent amenity for all age groups.
