General remarks

Entering the property via the side entrance, you are welcomed into a useful entrance porch, added by the current vendors, which provides access to both the dining kitchen and the rear garden. The dining kitchen is fitted with a range of base, wall and drawer units with worktops over, a double electric oven, four ring gas hob, space for a fridge/freezer and plumbing for a washing machine and dishwasher. A separate w.c. has been

cleverly incorporated beneath the staircase for added convenience. The kitchen leads through to the garden room, which enjoys double doors opening out onto the rear garden, creating a lovely connection between the indoor and outdoor spaces. The living room is also accessed from the kitchen and features a chimney breast, offering the potential for either a gas fire or wood burning stove. From here, a second entrance hall provides access to the front of the property, together with the staircase rising to the first floor.

To the first floor are two well proportioned double bedrooms, both enjoying long distance views, alongside a further single bedroom. Bedroom one benefits from a full wall of mirrored fitted wardrobes, providing excellent storage. Bedroom three is positioned to the front of the property and offers space for a single bed. Completing the accommodation is a recently upgraded, modern house bathroom, fitted with a contemporary three piece suite comprising

a P shaped bath with shower over, low flush w.c. and hand wash basin with vanity cupboard beneath. Further features include a chrome heated towel rail and extractor fan, creating a stylish and practical space.

Externally, the property benefits from ample off road parking to the front, complemented by an electric vehicle charging point. To the rear, the garden offers an attractive Indian stone paved patio area, a pond and a raised decking area, providing a variety of spaces for relaxing and entertaining. A particular highlight is the detached, pub style garden building, constructed by the current owners, which benefits from power, lighting and Wi-Fi, making it an ideal space for entertaining or an alternative use as a games room, home office or hobby room. The building is fully insulated and has a recently installed new roof. Attached to the building is a useful storage shed, ideal for keeping garden tools and outdoor equipment neatly tucked away.
